Josh Clark

Mr. Clark,

On behalf of the Georgia Right to Life Political Action Committee (GRTL PAC), I would like to thank you for your pro-life, pro-personhood commitment to the protection of human life, born and pre-born. Our role at the GRTL PAC is to encourage and support candidates who meet the GRTL PAC criteria, who we believe will be an effective voice for those who cannot speak for themselves, and who will uphold the standard of no exceptions and no compromise.

Therefore, Josh Clark, the GRTL PAC is honored to endorse you for the United States Senate in the May 24, 2022, Primary Election.

The endorsement is based on you agreeing with and signing the Georgia Right to Life Personhood Affirmation, the interview with you, and your stated commitment to the Personhood of every human being created in the image of God, no exceptions, no compromise. The endorsement should be handled as a trust to be actively stewarded.

We also consider other aspects of each race, including the reputation of the candidate, the strength of the campaign, and any possible threat posed by an opponent. As a candidate who has demonstrated a willingness to stand for the sanctity of life without exception or compromise, we are especially pleased to commend you and look forward to working with you.

The years ahead will bring us new opportunities to defend the civil rights of the pre-born, those with disabilities and the elderly infirm. Your support and leadership will be absolutely essential in restoring the basic right to have rights, Personhood, to the most helpless members of our human family.

The GRTL PAC is honored to support you in this election.

Sincerely,
